Professor Joshua Lederberg  
Department of ~~Bacteriology~~ *Genetics*  
University of Wisconsin  
Madison  
Wisconsin

Dear Dr. Lederberg:

Do you have in your collection of  
stocks a thymine-requiring mutant of K-12?  
If you do, I would very much appreciate re-  
ceiving a slant of it.

Yours truly,

*Matt Meselson*

*Congratulations and best regards*

*Thanks.*

*Sory I don't know of such a beast. Send me  
one if you find him!*

*Just  
Peter*
